You asked for it! The October 27, 1977 meeting will be held downtown at the Dallas Public Library (Commerce & Harwood Sts.). This month the meeting will be held in the Conference Room, downstairs. Come early and bring a sack lunch - 11:00 to 11:45 - coffee will be available. The business meeting will start promptly at 12:00 noon so that those of you who work can come to both the business meeting and the program. Our speaker will be Lloyd E. Bockstruck. He will speak on: "The Most Commonly Asked Questions in the Genealogical Department of the Dallas Public Library." Those of you who have heard Lloyd know what a great speaker he is and those who haven't have a real treat to look forward to. If you wish you may stay after the meeting until 2:00 P.M. and visit with fellow members. GUESTS ARE ALWAYS WELCOME.

REPORT ON SEPTEMBER MEETING

Our first meeting of the year started off with friendliness evident at every table. We now have 470 members and still growing each month. We voted to publish a volume of "Dallas County Marriages." This should be of great help to you in the Dallas area as well as those of you who live out of town. The marriages will be from the earliest in Dallas County up through 1875. After the business part of the meeting was over, many of our members took part in a "Show and Tell" program. It was great fun as well as being a learning experience. Those of you that didn't come missed a very fine program.

PEDIGREE CHARTS

We have now received enough charts for Volume I. Typing has begun. Charts received after this date will be held for Volume II. We have had to change the style of these charts, therefore we can now accept a zerox copy of your charts. If you missed getting your family in the first volume - DON'T MISS THE SECOND.
