Program: Lola Lindsey
"SCOTCH-IRISH GENEALOGY"

Well known to most of our members, Lola Lindsey is recognized as an experienced and skilled genealogist, as some of us can affirm who have been in her classes at Richland or Eastfield Colleges. Scotch-Irish Genealogy is one of her areas of expertise. This is the lecture she gave to The Gathering of the Clan in Salado. Could the ancestor you haven't found be Scotch-Irish? Could he have been one of the many Scotch-Irish in Washington's Army? Could he have been one of the Scotch-Irish frontiersmen who was first to settle our wilderness? The odds are high that most of us have an interesting Scotch-Irish connection somewhere. Lola will illustrate with displays and maps the why and where of the Scotch migration to Ireland, and to North America.

THE NOMINATING COMMITTEE WILL MAKE ITS REPORT AT THIS MEETING

THEN YOU WILL BE ASKED TO VOTE AND INSTALL OFFICERS FOR OUR 25th YEAR

Come to the last meeting before September and help pay tribute to our Past Presidents at the

MAY MEETING: It was a record attendance for Library Meetings--close to 150! If you were not able to hear the May program on Appalachian Research, and you think one of your ancestor's could have been there sometime, do contact a friend for notes & a copy of the excellent hand-out. Mary Beadles & Helen Stinson "blanketed" KY, TN, & W.V. in short order. Even members who thought they had already searched that area must have heard something they had missed.

All the chairs, plus extra chairs around the wall, were in use in the conference room during Frances Malcolm's fine discussion of Land Records in the Pre-Meeting Session.
