MARCH 1983 MEETING: DATE : Thursday, March 24, 1983
PLACE: Dallas Public Library - Auditorium
1515 Young Street, Dallas
TIME : 6:30 P. M. Social Meeting
7:00 P. M. Regular Meeting and Program

The March program for Dallas Genealogical Society will be presented by Dr. Don A. Carleton, director of the Eugene C. Barker Texas History Research Center at the University of Texas at Austin. The Barker Center serves as the single most important resource center in existence for the study of the historical development of this region. In addition, it is the repository for many Bible records covering families from other areas. The research collection dates back to the opening of The University of Texas in 1883. Dr. Carleton, who was reared in Dallas County, will present a slide-illustrated lecture about resources available at the Barker Center, particularly those of interest to genealogists.

PUT A RED CIRCLE around May 7 on your calendar! It will be a great opportunity for all in our Society! You have received the announcement of the Workshop. Hopefully, you have already sent in your reservation. Learn how to apply for assistance by personal visit, by mail or by phone to the Library of Congress. Hear Mr. Winston Tabb, that day! And, as a special bonus, you can also hear our very own Lloyd Bockstruck, and that fact alone will bring many to attend. Jeanne Tabb is in charge of the Workshop -- she headed our November Workshop that was such a success, you remember. This one will also be an exhilarating experience. Be there! You will be glad you were!

If you plan to attend the National Genealogical Society Convention in Fort Worth April 13 through 16, you ought to be making your reservations at the Convention as well as at the hotel, if you plan to stay overnight. This Convention is a great opportunity for us because it is being held so near. There are sessions appropriate for you no matter if you are just a beginner or a seasoned veteran. Registration forms are still available at our Library, in the Genealogy Department, or by mail from National Genealogical Society Conference 1983, Post Office Box 18062, Fort Worth, TX 76118.

Those who attended the February DGS meeting heard Sherry Cunningham Arrant give a very informative lecture on Family Reunions, how to promote, develop and carry them through, and how to keep them active from year to year. She showed us visual aids to illustrate her use of them, brought pictures, charts, mementoes, door prizes she offers, bumper stickers she distributes in advance of the reunion, and described other things she does to make a reunion a success. Thank you very much! Perhaps many another reunion will be started due to her inspiration and successful ideas -- and she welcomes imitation!

How are you getting along with your research? Do you have any problems? Maybe a Query would help you solve them. Don't give up hope -- maybe the right person might see it, and help you solve that problem soon. Queries should be sent to Dallas Genealogical Society, Box 12648, Dallas, Texas 75225.
