GOOD NEWS: In addition to the Census Sheets which we have been telling you about, Family Group Sheets (also called "Family Unit Sheets") and Pedigree Charts are available through the DGS and these can be purchased from the Society at our meetings and they are for sale in the Genealogy Department of the Dallas Public Library. Just ask for them at the desk in the Genealogy Department.

Family Group Sheets are available in a pad of fifty, or in a pack of twelve. These forms are very popular. If you haven't tried them, do so, for you will like them.

We want to thank the members of the committee that packaged these forms so that they could be ready for sale to you. Those who gave their time to do this work were Helen Lu, Gladys Pointer, Margaret Hudson, Anne Trickett, Jeanne Tabb and Adrienne Jameison. These forms were put in Assortment Packs and contain two Family Unit Sheets, one Pedigree Chart and an assortment of Census Forms. We do appreciate the work of this committee.

You have an opportunity to "break into print"! We need short articles of a genealogical or historical nature, preferably about Texas or this region, and/or people who live or once lived in Texas, and these articles should be sent to the Dallas Genealogical Society, P. O. Box 12648, Dallas 75225. These will be used at the discretion of the Editor of our Quarterly, as space permits.

Do you know all the answers to your questions about your ancestors? Do you know where each was born? - - - Who they married? - - - The names of their children? - - - Where they lived? - - - What their occupations were? - - - Where they moved? - - - When and why they moved? - - - When they died? - - - Where they are buried? If you do not know all these facts and more, then you should write queries, LOTS OF QUERIES, and send them to Dallas Genealogical Society, P. O. Box 12648, Dallas 75225. When these queries are published they are sent all over the United States in our Quarterlies. It is quite possible that somewhere, someone already knows the facts for which you have been diligently searching and will gladly send them on to you. Each query should include, besides your own name and address, the name of a person if known and/or his relationship, a time period, a place, an event and what you want to know about any or all of the above. Send as many as you want right now, and they are free to members, \$3.00 to non-members.
