NOVEMBER 1985 MEETING

DATE: November 21, 1985 - Note that THIS MEETING is on the
third Thursday of the month, because of Thanksgiving.
TIME: 6:30 p m - Registration and decaffeinated coffee
7:00 p m - Meeting
PLACE: Auditorium of the Dallas Central Library

PROGRAM: We are fortunate to have Mr BANKS MC LAURIN, a Past
President of our Society, speak to us on the important subject of
"Terminology and Meaning of Words and Phrases in Old Records."
All of us have at one time or another experienced problems with
understanding "legaleeze" of old wills, deeds, etc. Mr. McLaurin
can explain many of these in "layman's language" which we can
all understand. It should be a very helpful evening!

As we have done in the past, there will be no meeting in
December. The next meeting will be on January 23, 1986.

NEW REVOLUTIONARY WAR MICROFILM ACQUISITION TO MAKE DALLAS
GENEALOGY SECTION ONE OF BEST IN NATION

We can all be proud of the Genealogy Section of our Dallas Public
Library, but the latest decision by the Board of Directors of the
Dallas Genealogical Society is another and very important
step in implementing our commitment to being the BEST Genealogy
Section in the South, and among the nation's best.

The Compiled Service Records of Soldiers Who Served in the
American Army During the Revolutionary War are contained on 1,096
rolls of microfilm, and are offered for sale by the federal
government at the cost of \$20.00 per roll. The total cost is,
therefore, \$21,920. This is an ambitious project, but in light
of the several other outstanding projects undertaken and
completed in the past, it is realistic, and will be of use to all
of our citizens in the Metroplex area, as well as to research
visitors from all over the country.

With the State of Texas observing its Sesquicentennial, it was
felt that some special project should be undertaken to
commemorate this very special year in our state's history. And
since we all came to Texas from somewhere else, this seemed like
a universally appealing effort.

Donations of any size are most welcome. Make checks payable to
Genealogy Section of the Dallas Public Library.

We give our sincere THANKS to Beth, Michael, and Matt Hudson for
their time and effort in packaging 4000 forms for sale in the
Library! Margaret Hudson was their cheering section.

We wish to welcome the following NEW MEMBERS of our Society:
