TIME: 6:30 p.m. - Social

7:00 p.m. - Meeting

PLACE: Auditorium of Central Dallas Public Library

PROGRAM - "Difficult Links to Prove"

It is not always easy to find the documentation needed to prove some links in our research. Several DGS members will present a problem they encountered in finding the necessary proof and then tell how they finally found that proof. This will be an interesting program and one we can all learn from. If time permits we will have questions following these presentations and suggestions as to where you might look for that difficult link.

Virginia Sawyers will present a REPUBLIC OF TEXAS VIGNETTE.
