TIME: 11:00 a.m. (Bring a cont (Bring a sack lunch, if you wish, and let's

get together, with a cup of coffee, and visit.)
East/West Room of Central Dallas Public Library PLACE:

PROGRAM: M: "Why Do Bad Things Happen to Good People When They Start Doing Methodist Genealogical Research?"

We are privileged to have as our speaker, Roger Loyd, Acting Librarian of Bridwell Library, Perkins School of Theology, SMU, who will give us the answer to the question he has posed! For those who are not familiar with Bridwell, it will be of interest to hnow that it is a theological library responsible for storing Methodist records. It is stronger in clergy records than in records of laity -- though it has both. See you there!

!!GENEALOGY DIVISION TELEPHONE NUMBERS CHANGED!! If you have had trouble getting our great people in the Genealogy Division to answer the telephone, it isn't because they are ignoring you! As of March 20th, the new numbers are: 670-1433 or 670-1434
