BUDGET SITUATION FOR THE LIBRARY SYSTEM

The City Manager's budget is currently scheduled to be presented to the City Council on August 11th, so there is no information to consider until that time. Several public hearings will be held after that date to consider submitted budget. Last year during this process, members of the DGS and others presented sufficient interest and support to result in the Council restoring one million dollars to the proposed budget. This shows that your opinion is important. For more information contact Bill Jacoby at 351-6338 or write to him at 4015 Killion Drive, Dallas, TX 75229.
