ADOPT A BOOK PROGRAM

This is a wonderful idea that we can all participate in and enjoy! There are hundreds of useful books that we would all love to look through in the Genealogy Department that are at this time not available for use because they are not bound. We have urged people to donate \$5.00 per book and designate it for book binding. We have had a fairly good response. But we are now happy to announce that you may pick the book of your choice to bind! This way you can review the list of books that are presently unbound and choose the ones that may be most helpful in your research or of particular interest to you. Some person choose to bind all books that come into Genealogy for a certain county and state, others bind all books by a particular author. There are a number of fun ways to make this project work!!! Contact the Genealogy Department for a look at the list of books that need to be bound and donate to your desire!!! LET'S MAKE THIS PROJECT BE ONE OF THE BEST!!!

ANNUAL BOOK AWARDS

Again this year on of the features of the Annual Spring Workshop will be the awarding of certificates in the Book Awards competition. To qualify, you must be a member of the Dallas Genealogical Society with current 1988 dues paid. There will be one award in each of the four categories:
