MARCH, 1989 MEETING

DATE: Monday, March 27, 1989
PLACE: Auditorium
J. Eric Jonsson Central Library
1515 Young Street at Ervay
Dallas, Texas
TIME: 6:00 P. M. Computer Interest Group
7:00 P. M. Meeting and Program
SPEAKER: Mrs. Gwen Neumann
TOPIC: HOW TO READ COLONIAL HANDWRITING

Gwen Neumann is a past editor of "The Dallas Quarterly" and Workshop Chairman of D. G. S. A founding member of the Collin County Genealogical Society, she has twice served as their President. A member of D. A. R., and D. R. T., Mrs. Neumann has co-authored and co-edited several genealogical books. She is a native of Austin, Texas and is a fifth generation Texan.

THE PRESIDENT'S MESSAGE

Just when we thought our beautiful Texas Spring was just around the corner, up jumped old man Winter bringing us sleet, a layer of ice and several inches of snow. That is not so bad except all this bad weather arrived on the day of our Annual Spring Seminar at Jesuit, March 4. However, it takes more than snow and ice to dampen a genealogist's enthusiasm for a good seminar. Nearly three hundred people arrived to hear Dr. George Schweitzer and were so taken with him and his lectures that they stayed until after four o'clock asking him questions. Dr. Schweitzer's knowledge of history and genealogy is vast and many who came last Saturday went away with new directions to take. Requests for his return in the near future have already begun to be heard.

Many thanks to Barbara Baylis for the long hours she spent planning our Spring Seminar. She choose an excellent speaker and brought him to us in a large, comfortable and accessible new location at Jesuit. Her committee can be proud of this Seminar. The proceeds will enable DGS to give generously to the Genealogy Section of the library. My personal thanks to all the committee and board members and DGS volunteers who worked to make Saturday a big day for all of us. Also,

thanks to our members and other participants for coming out on such a cold and wet day.

As dictated by the DGS bylaws, at the February meeting of the Board of Directors a nominating committee was appointed to select a slate of nominees for the 1989-90 board. The membership will have the opportunity to vote on this slate at the May 22 Annual Business Meeting. The Nominating Committee has the very important job of locating members who will volunteer to serve on the Executive Board. If your phone rings with a request for you to serve in a position, say "Yes". Your EXPERTISE may be just what is needed on the 1989-90 board.

Speaking of EXPERTISE -- one reason for DGS's growth is that the Society does tap into and benefit from the experience and knowledge of our membership. DGS members are among the best genealogists - amateur and professional - in the business. That includes YOU! If you have an idea or suggestion, criticism or pat on the back, the DGS Board wants to hear it. Let us hear what you are thinking.

Happy Researching!
Sammie Lee

MANY, MANY THANKS.... From BARBARA BAYLIS, VP Workshop

TO ALL THE 300 PARTICIPANTS who braved the "unexpected March weather to attend the Spring Workshop! Coming on such a morning, exhibited the determination that all good genealogists must have -- and by most of you staying until 4 p.m., you exhibited that spirit that makes the rest of the world wonder about our sanity!!!!

TO OUR LECTURER, DR. GEORGE K. SCHWEITZER, who has the rare gift of making history come alive and apply it so well to research problems. Now those of you who have not had the opportunity to hear him, know why genealogists drive hundreds of miles to attend his lectures.

TO OUR "HARD WORKING" BOARD MEMBERS & OTHERS who always come through and help in so many ways. A special "thank you" to:

SAMMIE LEE for being in charge of Vendors;

DOROTHY BRUCE for taking care of registration, nametags, and signs with lots of help from her husband and her daughter, Cathy Purdy, who drove up from Austin;

BILL JACOBY, MADILYN CRANE, & MARKELETTA & HARRY STEVENS for taking registrations at the door;

ADRIENNE JAMIESON for serving us coffee and donuts;

BILL BENSON for his design of posters and brochure;

LEE MARKOFF for transportation of Dr. Schweitzer;

JOAN THOMPSON for selling DGS Books and Forms;

KELVIN MEYERS for helping set up and taking down;

HALLIE GARNER, KELVIN MEYERS, & LEE MARKOFF for helping with handouts during registration;...and last but not least.....

MARGARET ANN HUDSON and her whole family - JIM, JIMMY, MATHEW, MICHAEL, AND BETH, for suggesting our meeting place, setting up, taking down, helping folks to their cars, working the sound system, selling Dr. Schweitzer's books for the Society, printing the signs for the Vendor's Tables, and being on call when needed---the Seminar could not have come off without the HUDSON FAMILY;

TO JESUIT COLLEGE PREPARATORY SCHOOL for permitting us to use their nice facilities and to the Community Service Program of the school for the students who helped us set up and take down;

TO OUR VENDORS, some coming from as far away as Colorado and Massachusetts;

TO HENNINGTON PUBLISHING COMPANY for furnishing donuts and coffee;

TO SOUND SMITH AND RANDI SMITH for arranging for the portable microphone

TO CHARLES & RENEE SMITH for hosting the Board in a reception honoring Dr. Schweitzer on Friday, March 3.

Dr. Schweitzer's handouts will be mailed to those who registered but were not able to attend the Workshop. These notes are very complete as Dr. Schweitzer does not encourage the taking of notes during his lectures. We will also enclose an order blank for any of his books you might wish to order. You will have the satisfaction of knowing that the profits from the seminar will be used for the purchase of books in the Genealogy Department of the Dallas Public Library.

A financial report on the Workshop will be published in the next DGS Newsletter.....Once Again.....

A BIG THANK YOU TO ALL
WHO MADE THIS 1989 SPRING WORKSHOP SO SUCCESSFUL!!

DO YOU HAVE CZECH ANCESTORS?

Did you know there is a magazine of Czech genealogy and culture printed right here in Texas? Entitled, "Nase Dejiny", it is published bi-monthly for \$12.50 per year in Texas (out-of-state add \$2.50) by The Old Homestead Publishing Company; Rt. 3, Box 7688; Hallettsville, TX 77964. Readers are urged to share their Czech genealogical data and problems in print. The publisher also welcomes Czech family genealogies, lineage lines, summaries, ancestral charts, bible records, old letters, gravestone records, etc., on Czechs in the U.S.

According to the Sept./Oct. 1988 issue of the newsletter of the Federation of Genealogical Societies, a newly formed group of national scope is the Czechoslovak Genealogical Society. This new society is open to anyone whose ancestry goes back to Czechoslovakia, be they German, Slovak, Jewish or any other related group. This society will be present at the National Genealogical Society Conference in the States in St. Paul, MN on May 17-20, 1989. Membership options are from \$10.00 a year (individual), \$15.00 a year (family) or \$25.00 a year (sponsor). For more information write Czechoslovak Genealogical Society, P. O. Box 16225, St. Paul, MN 55116. One of their aims is to help individual members locate missing relatives or groups of families who may have moved to various places throughout the U.S. after immigration to this country.

COMPUTER INTEREST GROUP

The recently formed Computer Interest Group will meet one hour before the regular monthly meeting. The subject for this session will be "Entering Your Data Into The Computer". Since this topic is software oriented, we will divide into the various software interest groups for discussion. Come and be a part of this discussion even if you have not decided on the software you intend to use.

Lloyd DeWitt Bockstruck's book, VIRGINIA'S COLONIAL SOLDIERS, was chosen by the panel of judges and DGS to receive an award in a special category for excellence in publication. Lloyd's book is considered to be a major genealogical source for material and an invaluable contribution to research. Congratulations to Lloyd for his award. It is well deserved.
