CIVIL WAR LETTERS OF CONFEDERATE CAVALRYMAN  
AND DALLASITE, THOMAS PAYNE WORTHINGTON

*Submitted by: Haaael W. Beckett & Edward W. Samuell, Jr.*

EDITOR'S NOTE: The explanations and notes by Beckett & Samuell are in italics.

CONTINUED FROM: VOLUME XXVI, page 32.

*Thomas' much sought after furlough came in late September 1863. His cousin, Amanda Worthington, niece of Dr. William Waring Worthington, daughter of Samuel Worthington, and neighbor of Thomas Worthington near Belmont, describes his return home in her diary entry of Thursday, September 24th, 1863.*

This morning Mother came & told us to get up--Tom & Ben were here. They had come last night to Uncle Williams, tired and worn out but old Aunt Harriet, the only person they saw told them to get away from there quick as the yankees were there & all around in the country. They were not slow to obey as they were not particularly anxious to meet any yanks; they slept in our cornfield all night & this morning cautiously made their way here. They of course found no yanks here & we were very much surprised to hear the tale of there being any at Uncle W's. so we sent over to see--there was not a symptom of one there & hadn't been. I don't know what possessed Aunt Harriet to draw on her imagination so as soon as the alarm was found out to be false Tom went home.

*Thomas' second night home on furlough was not much different then his first. Amanda describes the next evening Friday September 25th, 1863, by saying:*

Tom is the same Tom he always was--not near as interesting as Charlie or Ben. After supper we had quite an alarm--as we were all sitting talking when Aunt E. (Tom's mother) came & told the boys to leave the parlor as there were some yanks out at the door. Tom rushed frantically to the back door & pulled at it & the thing wouldn't open! I rushed there too & seized hold and at last got it open & Tom & Charlie hurried out in the porch & on the pavement when Aunt Harriet hollered at them not to come that way--so they started off around to the front of the house again when one found out it was Davis Buckner (Amanda's husband to-be) and Mr. Wilkins only. We were greatly relieved & settled down quickly again.

*Tom's unit was probably stationed relatively close to Belmont because he was back in the area again in two months. However, these false alarms may have been the undoing of Thomas. On Tuesday November 20th, 1863, Amanda writes:*

I skimmed the milk & was just giving out supper when Ben & three of the Bolivar Troop came. I was so delighted & commenced dressing to go in to see them immediately. Before I had finished there was a cry of "yankee" raised--I didn't pay any attention to it as we have had false alarms so often--I hurried out & saw they were yankees--by that time the whole house was in commotion--(the Bolivar Troop) had all saddled up & when I went out on Mother's balcony I could see them galloping furiously in one direction & the yankees riding up in another about two or three hundred yards apart from them.

*It was probably this same detachment, numbering "two hundred yankee & negro soldiers in Uncle W's quarters" that captured Thomas. Amanda's version of his arrest described in her same November 20th entry follows:*

Uncle W was here a few minutes ago & says the yanks have taken Tom prisoner. Poor boy I feel so sorry for him. They came up on him before he knew it--he & Mr. Thomson were corking an old skiff when the yanks rode up on them. Tom told them his name was Tom Hughes of Bolivar, that he was no soldier--never been in the Army and a great many stories, & a Mr. Warren who had also been captured spoke up & vouched for the truth of all his tales, but the yanks found out better and they are going to take Tom off with them.

*Thomas' military records show him to have been taken prisoner at Deer Creek, Mississippi, on Nov. 15, 1863 by units under the command of Col. E. D. Osband. From Deer Point, he was taken to Prison No. 1 at Vicksburg, from where he was able to dispatch his first letter home.*

Prison No. 1 Vicksburg Nov 23 1863

Dear Father

I arrived here Thursday. We are inside the jail walls. We are affraid to go in the jail there are so many body lice in there we sleep on the ground I expect We will be sent north in a few days. The Lieut of the guard tolde mee he thought we would be started in a few days It will be useless for you to come down. for you cannot do anything towards getting a parole for me. There is some deserters in here. that came and gave themselves up to the federal forces and they wont parole them and you know they wont parole me.

I saw a man that tolde me nearly all of Uncle Sams and a good many of your negrows were in Milligan's Bend and nearly every one wanted to get home very much they were very tired of staying where they are and they would go home if they had any way of getting their There is a captain in here that was take prisoner the same day you got home. He stoped and saw you. He belonged to the 2 Arty Reg and was going across the river. he was taken at Eggs Point. Mrs. Menut has a great many of yours and Uncle Sams negrows. Mr. Duese and Alexander can give information towards the negrows. I have made inquiry a bout Aunt Anns negrows but cant hear anything a bout them. a great many of your negrows and Uncle Sams have died and are dieing all the time Aunt Ann lent or rather gave me \$25 in greenbacks which was very exceptable. There are a bout twenty five confederate prisoners in this jail and a bout 40 northern soldiers in and a bout ten citizens. Mr. Snider Mrs. Basses olde overseer is in here. They caught him crossing salt down below here a bout two weeks a go and put him in here. The negrown soldiers guarded us while we were at Skipwiths Landing I was treated better than I expected untill I was put n here This is nothing more than I expected I dont get but two meals a day. They dont give us more than half as much as we could ear. But you know I am something like a bear in eating. I am allways ready when there is anything to eat and then I can do with as little to eat as anyone else. As I have written all that is necessary I will close. I remain

your affectionate son.

Thos. P. Worthington

*Thomas was transferred from Vicksburg to Cairo, Illinois on Nov. 26, 1863. From this POW staging area, he was sent to the prison at Camp Morton, Indiana. The first three months of his imprisonment was marked with depression and illness. Hearing only from his Uncle Sid (Sidney Thomson in Georgetown, Kentucky) during this period, the arrival of his first letter from home set off a series of letters, repetitive and redundant in nature. These letters clearly indicate his isolation and the uncertainty of his letters reaching their destination.*

Captain MacElroy

Dear Sir I wish you would send this letter to Dr. W.W. Worthington.

Dear Father

I have been in this prison over two months & have not received but one letter from home, that was from Mother. I received her letter to day. I also received two letters from Uncle Sid to day. Uncle Sid wrote me word that Birt was killed. I am very sorry to hear of his death. He said he was killed at home. I suppose he was killed in a fight. You must not be uneasy about me for I get a long as well as could be expected. I wish I had Bill in here to cook for me but I have got so I can cook tolrably well at least I think so. Tell Mother Professor Day lives in Indiananapolis. I wrote to him and he as never answered my letter. We have had some very cold weather. Well it is not warm now. I have plenty of clothing and a plenty of blankets I make out very well. I am very tired of being a prisoner I hope I will be exchanged before long. I bear my imprisonment as well as I can. I think it is a good idea for you to go to raising a crop of cotton. Joseph Newman is in here. He told me to ask you to send work to his brother Gus and Miss Theobald that he is well. I remain your affectionate son.

I am not allowed to receive a letter over one page in length

*The month of March saw farther deterioration in the physical condition of Thomas*

and he longs to become involved in a prisoner of war exchange to avoid the cold, arduous conditions of his imprisonment. Indications of Yankee harassment of Confederate prisoners of war are implicit in his letters at this time. The extent to which such unnecessary and rigid rules were condoned by the Yankee High Command is unknown.

Captain McElroy Please send this letter to Dr. W W Worthington He lives 4 miles a bove Eggs Point Washington Co Miss

Dear Father

I received your letter of 27 of Feb a fiew days a go I would of answered it sooner: but I could not get writing material. I have been sick nearly evry day this year & am not entirely well now. I have had the newmonia. I went to the Hospitale then. I have one of the worst colds I ever had. I can scarcely speak a bove a whisper. Warm weather will soon be here & then I can stand imprisonment better. I am not in any dangier atol. It is a gainst the rules for prisnors to see their friends. Dont come to see Me for I sould not be allowed to see you when you came. I have written to you nearly evry weak since I have been here. The nails are coming of My right midle finger on My right hand & of the little finger on My left hand Remember Me to Aunt Ann & family & Uncle S & family. My love to all the Family I remain Your affectionate Son Thos P Worthington

*Thomas' imprisonment continues, aggravated by reduced hopes of gaining freedom through the prisoner exchange system, a procedure that from Thomas' point of view has been agonizingly slow. Early April has shown no improvement in his health and his morale has received another blow apparently from information that he received of the financial losses of his father. Although he had rejected the thought of taking the oath earlier in his imprisonment, he is now considering it. He looks for one more alternative for his release through the efforts of Uncle Sid. He writes:*

Camp Morton Indianapolis Ind. April 3rd 1864

Dear Uncle Sid

I received Your letter of the 20 of March Yesterday. You

said you sent Me \$500. I will get the money next time they ishue money to the prisnors. that wont be long. I wrote to you a fiew days a go. I received a letter from Father saying if My health continued bad to take the Oath & come home. My health dont get any better, if I could get out of here by taking the oath, I would do so & go home. I have been a prisnorr near five months & the domitioners have not efected an exchange yet. I dont reckon they are any nearer a greeing upon any terms now than they were when I was captured. I cant stay in prison, if I can get out and go home. I want you to do what you can to get Me out. & I want you to have it dixed so that I wont be conscripted in the U S Army & have it fixed so I can go home. There are a great many men in here that have applyed for the oath & they have not turned them out yet. I have not applyed to take the oath yet. If I can get out I will go & see you & stay a while & then I will go home. & if this war lasts another year I think, I will make a fortune raising cotton if it is managed wright a fortune could be made in a short time. Father wrote Me cotton was worth \$200 a bale on the bank of the river. You can make 10 bales to the hand. From this on, I intend to look after no 1 first. Father has lost all he had & I am to try to make something for me & the family to live on. My health is no better than it has been for the last three months. I remain your affectionate nephew. write soon.

Dear Uncle Sid Please give this letter to Mr Ward to give to Father when he goes down to his place

Dear Father

I have not received a letter from home for a longtime. I received two letters from you of the 28 of Feb were the last I received. Mother wrote Me to direct My letters to the Gunboat Petral care of Cap McElroy. I have been directing My letters that way You had better make some arangement with some boat for Me to direct My letters to & write to Me how to direct my letters to you. I dont know whether you have received My letters or not I have been directing to the gunboat. You wrote to me if my health continued bad & I could not stand the imprisonment to take the oath and come home My health is very bad and dont get any better than it has been for the last three months. I have been a prisnorr near five months & the Comitioners have not a greed upon any terms of exchange yet. They are not any nearer agreeing upon terms now than they were when I was captured. There are a great many prisnors in here that applyed to take the oath a long time a go & They have not turned them out yet. I have not applyed to take the oath, but If I could get out and go home by taking the oath, I would do so. I have written Uncle Sid to do what he could to get Me out, if he could. I expect if I get out by taking the oath Uncle Sid will have to go on My bond that I wont take up arms a gainst the U S G. I will do as you think I ought to in this case. If I could stand im-

prisonment I never would take the oath. Give my love to Aunt Amanda & family & Aunt Ann & family. You all must write often. Tell Uncle Pres I would like to get a letter from him I remain Your affectionate Son Thos P Worthington

*The month of May saw no improvement in Thomas' physical condition. On the contrary he appears to have gotten worse and the depression arising from his imprisonment has also grown deeper. An undated letter, believed to have been written in early May reveals the handwriting of a very sick soldier. Apparently the seriousness of his illness finally prompted Yankee authorities to provide medical attention. He writes:*

(Undated--inshaky handwriting)

Dear Father & Mother

I am very sorry I cant get to see you. I have been very sick but am able to walk a bout now. I reckon if you had come to see Me Col S could of let you see me. Dear Mother

We still hold Camp Morton at all hazards. We received rein-

forcements yesterday, enough to holde this position a long-time. I am awful tired of this place. I am a bout as well as when you were here. still have a payne in my breast. I have a very large blister on it. 10 by 12 inches. it annoys me a great deal. My appetite is very great If you would go to Washington City I think you could do more for me than any one else. In your letter you spoke of one. Beware of false prophets that cometh to you in sheeps clothing Lest they be venomous wolves. I have received the clothing you left at Col Stevens Quarters for me. Uncle Sid wrote me on the 15. that he expected my release would come in one weak I wonder it dont come it has been over that time I would of been the gladest fellow you ever saw if I could of seene you while here. I remain your affectionate son.

Dear Father

I have not heard a word from since you left & I have written to you several times. I think if Mother would go to Washington City with you she could do more for me than any one else. I am just a bout like I was when you were here. The pane in my side has not left Me yet & I have the head ache a greatdeal. I am still in the hospitle yet. Joseph Newman is sick with the flu. I received a letter from Mary of the 12 May. She said that Eugene Robb, Yeargen, & Boyens were captured at Ore house. I have not heard a word from Uncle Sid for sometime tell him I would like to hear from him. There is a man that was captured in Miss not long go. came in here a prisoner. He tolde Me the Bolivar Troop was in Alabama. I drew five dollars of the money you left for Me. My hare is coming out very much from the effects of My sickness. I reckon it will come back after a while. I remain your affectionate son Thos P Worthington

*The efforts of Uncle Sid Thomson to gain Thomas' release failed and Thomas pleads with his parents to go to Washington to seek his releas. His mother, E. P. Worthington, from his point of view, has the political clout to secure his freedom. His letters have now ended, the letter of May 30, 1864 being the last of the series.*

*On June 21, 1864, the following order was issued to Colonel A. A. Stevens, Commanding Camp Morton, Indianapolis:*

OFFICE OF COMMISSARY GENERAL OF PRISONERS,  
Washington, D. C. June 21st, 1864

"A" a prisoner of War, now confined at Camp Morton, Ind. on his taking the oath as prescribed in the President's Proclamation of December 8, 1863,

#### EPILOGUE

*The following letter, written by E. P. Worthington, mother of Thomas, to Mrs. Canby wife of a Yankee General and former friend of Thomas' mother, appears in the military records of Charles T. Worthington, youngest brother of Thomas.*

April 29, 1865

Dear Mrs. Canby

I am sorry to be under the necessity of again troubling you, but your kind reception of my husband leads me to believe that you will willingly do all in your power for me now. I had a son taken prisoner at Selma, Alabama about the 8th of April & today learn he was sent to Pensacola, Of course he is in a perfect state of destitution having lost every thing and is now among strangers. Will you be so kind as to write and enquire concerning him & let us hear from him. If through your husband's influence you can have him paroled & sent home I pledge you my word as a Christian he will never enter the army again (of which he is heartily tired). Last summer President Lincoln was kind enough to release another son who was in poor health in prison at Indianapolis, and he has faithfully remained at home ever since. He was released through the influence of Judge Holt & old friend of my husband's. If nothing can be done in that way will you be so kind as to ascertain if he is certainly there and convey a letter from him to me at Egg's Point directed to the care of Capt Gregory of the Gun Boat Julia. Mr. T. H. Lonsdale of N. Orleans Gravier St No. 134 has some cotton of ours for sale and will advance you \$100 if you can get him paroled to enable him to come home. If he cannot be paroled please enquire into his necessities and supply his wants with money from Mr. Lonsdale. This is my youngest and most promising son, was only eighteen when he joined the army. is only a private in a cavalry company. His address is Charles T Worthington Company H 1st Mississippi Cavalry Gen Armstrong's Brigade. If you will aid me in any way in this sad affair you will confer an everlasting favor, one which I will never be able to return, all I can do for you will be to plead for you for blessings of a higher order of our Merciful Savior. I have always learned that you have no children but I feel that it will not be necessary to touch a cord of that sort to awaken in you an active sympathy. Trusting that you will do all that you can do for an old friend in distress I leave this matter in your hands with a hopeful heart. Yours truly  
E. P. Worthington PS Please let my son know how to direct a letter to us, as there have been some changes in the Post Office in this neighborhood on the river since.

NOTE: The following letter was sent to Benjamin F. Brown by his brother Irvine Brown of Clinton, Louisiana. It was written just before the outbreak of the Civil War and tells much of the feelings of the times. Benjamin F. Brown received his diploma from Nashville Military Academy in 1861 and took the office of Captain of a regiment formed in the school which was placed under the command of General Braxton Bragg. When the war was over, he returned to his home in Clinton, La. and found the plantation destroyed, his father and mother both dead. He also found that his twelve brothers and sisters had died of various causes during his absence. Broken health and typhoid fever made him too ill to travel for about a year following his return to Louisiana. However, as soon as possible he made the trip to Texas, settled in Stevens County and raised a large family. One of his children was the grandfather of Mrs. Smith who submitted the letter.

Clinton, La.  
February 9th, 1861

Benjamin F. Brown  
Nashville Military Academy  
Nashville, Tenn.

My dear brother,

Felicitations upon your nineteenth birthday. I should have written you sooner, but the press of business has been so great that I have been remiss in my obligations to you, for which I beg your forgiveness.

Leonard and I have discussed at length your request that you be permitted to return home and have weighed carefully the arguments you present in favor of your taking such a step. You have now reached an age when you should be competent to decide such matters for yourself; and our answer is that you should do so with regard to this.

Knowing so well your impetuous disposition, we feel that to oppose you in whatever you make up your mind to do could result in no benefit either to yourself or to others. We do however, venture to offer you the benefit of our council, with the request that you consider same carefully in arriving at your decision.

We feel that it would be best that you complete your education. There is nothing you can do at home, except to embroil yourself in a political situation which is becoming extremely turbulent.

Speaking for myself, I am very apprehensive of what may come of the incidents of the past few weeks. As you know, I have been entirely out of sympathy with the secession movement from its inception. I am hoping that this mad idea will die out within the coming months and Louisiana will return to the Union.

Events, however, are so shaping themselves as to render that hope increasingly speculative. There will be a meeting of delegates from the various states which have withdrawn from the Union at Montgomery within the next few weeks, for the purpose of discussing the advisability of forming a new confederacy. Leonard received the call from this Parish, but being like myself, out sympathy with the purpose of the meeting, respectfully declined the honor, which then devolved upon Arthur de la Pierre, who as you know, is an ardent secessionist.

What I am trying to say to you is that Leonard and I are agreed

that if this spirit of secession continues to animate the South, there must inevitably be war. I am aware that in this opinion we are opposed by the great majority of our fellow citizens, who hold that such an eventuality is unthinkable.

I believe however, we have correctly appraised the temperament and political viewpoint of the man who will shortly come to occupy the presidential chair, and that it will be his policy to maintain the Union at all costs.

Whatever may be our opinion as to the character and qualifications of Mr. Lincoln to properly fill the office to which he has been elected, the fact remains and we cannot dispute it, that he has an immense sentimental hold upon a vast multitude of people and that these disciples of his will follow where he leads them, be it to chaos itself.

If this situation of war should develop--and I pray to God nightly that it will not--you and we, must of course go with Louisiana and the South. Distasteful as the choice may be, we shall of course face not a theory but a fait accompli and we cannot evade the ultimate issue.

That being true, the military training which you have received and will receive in the months to follow, should you remain in the Academy, will be of inestimable benefit both to Louisiana and yourself. It is upon this proposition mainly, that we base our counsel that you remain where you are at least for the present. The consideration of your own cultural attainments and the desirability that you graduate have of course already occurred to you and I shall not discuss that phase of the matter.

Although you did not mention it in your letter, I feel sure your natural desire to see Helen de la Pierre, has to a large extent influenced you in making your request to leave the Academy. Perhaps unconsciously, perhaps not, I do not venture to read your mind.

Whatever your decision may be, be assured that we shall receive it in good spirit. The matter is for you to decide, we merely offer you our best judgement and advise.

I am with love, your brother,

Irvine Brown

HISTORICAL DOCUMENTS OF CENTRAL CHRISTIAN CHURCH, GREENVILLE, TEXAS  
Soft bound, 11" x 17", Central Christian Church, 2611 Wesley Street,  
Greenville, Texas 75401 \$8.00

This book was published in 1979 to commemorate the Centennial of the Central Christian Church. It consists of the church histories that have been printed separately during the last 75 years, and includes many directories, church calendars, lists of members, and a generous sampling of the Sunday bulletins. Of special interest to the genealogist is the "Doubtful Roll", a list of those who have moved. Although this large, soft-bound church history is not indexed, the researcher with ancestors in Greenville will be rewarded for the time spent reading it.

CEMETERY INSCRIPTIONS OF ROCKWALL COUNTY, TEXAS

Soft bound with plastic strip binding, 8½" x 11", 280 pages, order from: Search-N-Print, P. O. Box 777, Farmersville, Texas 75031, \$14.75. (Texas residents, add 74¢ state sales tax)

Cemetery Inscriptions of Rockwall County, Texas, gives evidence of hundreds of hours spent copying during a seven month period in 1977. It presents a studious approach to cemetery inscriptions beginning with the Introduction, which includes an explanation of the procedure and the abbreviations, and is followed by a Table of Contents which lists the name of the cemetery, if a colored cemetery, and if located outside the county boundaries. The inventory of the inscriptions is thorough and includes all notations from the homey, "Her children called her blessed", to the genealogical valuable: ". . . born in Kentucky. He went to Illinois when a boy of fourteen and came to Texas in 1844". Also, to the authors' credit is the statement concerning one cemetery ". . . located on private property . . . It is not accessible to the public". The book contains an Index which appears to be complete with all surnames, even those which appeared to be maiden names, but beginning researchers, beware: the Index does not indicate those surnames that are found more than once on a page. This book is a hefty 280 pages, well worth \$14.75.

ALBUM

Soft bound, 8½" x 11", 43 pages, compiled by Helen B. Anthony, 1622 Nolte Drive, Dallas, Texas 75208, \$10.00 plus \$1.00 postage and handling.

Album is an accumulation of 150 newspaper clippings of marriages and deaths which were found in a scrapbook kept by the author's grandmother. Most of the clippings are from the *Marshall Gazette*, Marshall County, Tennessee, and are dated from 1878 to about 1925. These clippings appear to be xeroxed-as-is, therefore making some of it a little difficult to read, but the Index lists both given names and surnames. Also included in the book are historic tidbits, a clipping about the history of Marshall County, and a list of the Confederate soldiers from Marshall County who were killed in the Civil War. Since many of the clippings concern the Bryant and Long families, the author has typed a brief outline of both families. A quick glance of the early surnames showed these: Kerr, Coleman, Chapman, Shaw, Jeffreys, Woods, Edmondson, and Dixon. All in all, an interesting accumulation of secondary sources.

REVOLUTIONARY WAR PERIOD BIBLE FAMILY AND MARRIAGE RECORDS GLEANED

FROM PENSION RECORDS, VOLUME I

Soft bound, 5½" x 8½", compiled by Helen M. Lu and Gwen B. Neumann, order from Lu and Neumann, P. O. Box 4276, Station A, Dallas, Texas 75208 \$15.00 (Texas residents add 5% sales tax)

Revolutionary War Period Bible Family and Marriage Records, Volume I, a major contribution to the Field of Genealogy, is intended for the serious researcher. This book makes available to all genealogists the hidden information of the Revolutionary War Pension and Bounty-Land Applications Files: the old Bible Records which were torn from the family Bibles, and also the family and marriage records, many of which were not recorded any other place. Because many surnames other than the soldiers' were contained in these records this is extremely valuable. For the convenience of the reader, each name is in capital letters, and each entry contains the abstracted information, the pension number, the state from which the soldier served, and the state where he or his widow lived when the application was filed. It is the Index which makes this book very useful. This 21-page Index includes the surnames and the given names, and indicates where the name is found more than once on a page, (the mark of considerate and experienced editors). In abstracting the pertinent facts from the Pension Records, Mrs. Lu and Mrs. Neumann have eliminated the eye-straining task of reading old handwriting and also the hours of tedious searching - in short, the editors have done everything for the researcher except turn the pages. They have placed a wealth of information in his hands! The only disappointing aspect of this book is that it is not 500 pages. It is an impressive work and this researcher looks forward to Volume 2 and the volumes that will follow. There are 100 pages plus a 21-page index.

\*\*\*\*\*

THE STOCK FAMILY

Hard bound, 6½" x 8½", 185 pages, H. Thompson Stock, 196 Cloverly Road, Grosse Pointe Farms, Michigan 48236, no price listed.

The Stock Family is a biographical history of William Stock, his brother, John Stock, and three descendants in England and the United States. The book is divided into 13 chapters with a system of letters, numbers, and symbols, all clearly explained. Especially noteworthy is

Stock's symbol, the asterisk (\*), which indicates an adopted child or child of a spouse by a previous marriage. Another compliment to Mr. Stock: he does not mix fact with fiction. At the end of each chapter he clearly documents his proof, "According to . . . census, or "Letter dated . . . written by . . .". Under the hard bound cover is high grade paper, clear dark print, and wide margins, all of which make the book easy to read. This reviewer felt that Mr. Stock meant for the researcher to read his book from cover to cover, not peruse the index and treat the book as a 5-minute reference tool. To insure that The Stock Family will be read in total, Mr. Stock has omitted a complete index, but tucked a quasi-index into Appendix D; however, the conversational tone which prevails and the detailed descriptions about members of the family, will encourage the reader to read from cover to cover.

NO FOOTPRINTS ON THE SANDS OF TIME; or  
OH, FOR A COURT RECORD ON GREAT- GREAT- GREAT- GREAT-  
GREAT- GREAT- GRAMPA

It's nice to come from gentle folk  
Who wouldn't stoop to brawl,  
Who never took a lusty poke  
At anyone at all,

Who never raised a raucous shout  
At any country inn  
Or calmed an ugly fellow lout  
With a belaying pin,

Who never shot a revenuer  
Hunting for the still,  
Who never rustled cattle, who're  
Pleased with uncle's will

Who lived their lives out as they ought,  
With no uncouth distractions,  
And shunned like leprosy the thought  
Of taking legal actions.

It's nice to come from gentle folk  
Who've never known disgrace -  
But oh, though scandal is no joke,  
It's easier to trace!

I am trying to identify a man who died in Texas, 1951 - about age 107 - Evidently he was a pretty shady character & I have been unable to establish this man's real name, & he lived by several aliases. His place of birth is unknown and various sources show Texas, Missouri, & Kentucky. His Confederate pension applications show him as having served with Quantrell and other sources show that he rode with the infamous James' and Youngers' during their hey days. The only clue as to some organization that he may have belonged to is from his autopsy which indicates he had numerous bullet wounds over his body and a tattoo which read "Tex. Y's". I am trying to establish what this tattoo might have stood for. Any suggestions, clues or a good guess will be much appreciated.
