NATIONAL GENEALOGICAL SOCIETY
HONORS LLOYD DeWITT BOCKSTRUCK

The National Genealogical Society's Third Annual Conference, meeting in Fort Worth, Texas, in April, 1983, presented to Lloyd DeWitt Bockstruck the Award of Merit "in recognition of his distinguished work in the field of genealogy as compiler of Colonial Soldiers of Virginia (soon to be published), as a highly respected lecturer and teacher, and as head of the Genealogy Section of the Dallas Public Library since 1973."

Other DGS members honored at the Third Annual Conference of the National Genealogical Society were Mrs. Harry Joseph Morris, of Dallas, Mrs. Mary N. Speakman, of Wichita Falls, and Mr. Weldon I. Hudson, of Fort Worth. (See Page 114, this issue)

P A S T P R E S I D E N T ' S R E P O R T

All of our monthly meetings for 1982-83 were held in the Auditorium or East/West rooms of the Dallas Public Library, a decision which was arrived at after long and tiresome investigation regarding where we could meet that would be convenient for members, economical, and where meetings could be scheduled in advance for the entire year. This change met with great response, and proved to be satisfactory in all aspects.

In June, 1982, the previous DGS administration introduced genealogical charts and forms to be sold by our Society, both at our meetings and in the Genealogy Section of the Dallas Public Library. This has met with enthusiastic response during the year, and this administration commends our previous administration for initiating the project, which has met a need among our members and among the patrons of the Library.

A new DGS membership form was introduced this year, which included space for surnames and states our members are currently interested in. These surnames are to be published, later this year, along with the membership list.

After several years of groundwork and planning, the first volume of Dallas County Cemetery Inscriptions became a reality. The title selected was "Dallas County, Texas: Genealogical Data from Early Cemeteries." This project has been approved by the Texas Sesquicentennial Committee as a Sesquicentennial Project for our Society, giving us an active part in celebrating the forthcoming 150th Anniversary of the Republic of Texas. This volume has already proven helpful to many researchers having Dallas County ancestors, and we can be proud we have helped preserve this part of the County's early pioneer history.

Our By-Laws underwent a major revision this year. While some of the sections required only rewording, others required more attention. The major changes were in updating and rearranging some of the duties of the Executive Board. However, the most drastic change was to eliminate the June Meeting, thus moving our annual business meeting and election of officers to May, with the new administration taking over their duties on June 1st of each year. These changes in the By-Laws were presented at the February, 1983, meeting, and were read and voted on at the March meeting.

DGS was well-represented at the National Genealogical Society Conference held in Ft. Worth in April, 1983. We made many good contacts throughout the U. S., and added several new members to our Society.

It was with sadness that we paid our last respects to Mrs. Margaret Barrett Pratt, founder of the Genealogy Department of the Dallas Public Library in 1956. She was also one of the Charter Members of our Society. A special memorial was given to the Genealogy Department in her memory.

In November, 1982, a half day Beginner's Workshop was held attended by over 100 participants. Our Annual Spring Workshop was filled to capacity with over 200 participants. We not only served our Society, but our community, with these two outstanding functions.

Our Society chose two major projects this year through which to channel research materials to the Genealogy Section of the Dallas Public Library: first, the microfilm publication "Massachusetts Soldiers and Sailors," which through gifts was completed almost immediately. Our second selection of research materials was the early tax records of Kentucky. From our annual gift, the tax records through 1860 were ordered for the Genealogy Section, totaling an additional 126 reels of microfilmed tax records. Any funds remaining from our annual gift were used for materials for the Genealogical Section, and the selection was left to the discretion of the Section Head.

As is our policy, we sent a memorial gift to the Genealogy Section in memory of our deceased members. This year's memorial was for \$100.00.

At our Annual Meeting in May, we presented our annual gift to the Genealogy Section of the Dallas Public Library. This year's gift was \$3,000.00, which went toward our projects enumerated above.

Two assets were added to the equipment of DGS this year, one being a two-drawer legal file cabinet for use of the President, and the other a small calculator for use of the Treasurer. Both of these purchases were desperately needed, and will receive much use in years to come.

It has been a wonderful year for our Society, and one in which we can all feel proud to have had a part.

As my year as your President comes to an end, I thank all of you for your support, -- with a very special thanks to the wonderful Board Members that have helped make this year a success.

OTHER DGS MEMBERS HONORED
AT THIRD ANNUAL CONFERENCE OF NATIONAL GENEALOGICAL SOCIETY

Among DGS members honored at the April conference of the National Genealogical Society in Fort Worth in addition to Lloyd D. Bockstruck (See P. 112), were the following:

MRS. HARRY JOSEPH MORRIS was recognized by the Board for Certification of Genealogists "for her many years of faithful service to the cause of genealogy in general, and to the activities of the Board for Certification of Genealogists in particular." This was the first such Certificate presented by the Board for Certification of Genealogists. Mrs. Morris, a DGS member since its founding, has served this society in various capacities through the years, and on completion of her 1974-75 term of office as both President and Editor was named "Honorary Lifetime President/Editor" of DGS. Mrs. Morris was recognized by the National Genealogical Society with its Award of Merit at its 1982 National Conference in Indianapolis, Indiana.

MRS. MARY N. SPEAKMAN, of Wichita Falls, a member of DGS for a number of years, was presented the NGS Award of Merit "in recognition of her distinguished work in the field of genealogy as a lecturer and teacher, as secretary for the Board for Certification of Genealogists, and for her publications, which include Family History of the RUTLEDGE/SPEAKMAN/SEARLE Families, and, with Walter F. Speakman, Cemeteries of Clay County, TX."

WELDON I. HUDSON, of Fort Worth, was recognized by NGS with its Award of Merit for his distinguished work in the field of genealogy as the local arrangements chairman for the NGS Third Annual Conference, as president, parliamentarian, and member of the Board of Directors of the Fort Worth Genealogical Society, and as a lecturer and teacher.

DALLAS PUBLIC LIBRARY MICROFILM ACQUISITIONS

-- by Lloyd DeWitt Bockstruck

The June issue of THE QUARTERLY listed, under various States, acquisitions of microfilmed books containing historical and biographical sketches, atlases and county histories. These are shown in the Dallas Public Library subject card file under the county. The reel number is shown on the card, and the index to reels is available on request from DPL staff members. These reels are in the microfilm area on the right wall as you enter the Genealogy Department, and will be found with the tax lists and other state information, rather than with the census. As space permits, we will list the books and records included in these microfilms in our quarterly.

CORRECTION TO BOOK REVIEW, December, 1982, issue, Page 217:

Lois Ryno Finfgeld (Mrs. Clifford) writes:

Thank you so very much for mailing to me a copy of the review of the book titled Descendants of Ulrich Spoon/Spohn 1717-1718, pub. 1977, by Lois Ryno Finfgeld. It is indeed an excellent review with the exception of one phrase:

"Ulrich Spohn, German immigrant, was founder of the Spoon/Spohn family in America." The part "was founder of the Spoon/Spohn family in America" is definitely not true, and I don't believe I said that at any place in this book. There was a J. Casper Spoon who came on the same ship with Ulrich and there are several men named Spoon/Spohn who settled in Berks County, Pa., and who left many children. They are recorded in the volumes by Strassburger-Heinke too, so my Ulrich was far from being the only Spoon/Spohn to leave descendants in America I am most grateful for the review of my book and the criticism made above is done in the cause of promoting the practice of sticking closely to the facts in genealogical writing, that is strict honesty in recording data.

BOOK REVIEWS

Have you published or compiled a book of genealogical or historical nature that you would like to have reviewed in THE QUARTERLY? If so, please mail a REVIEW COPY to the Editor, Dallas Genealogical Society, P. O. Box 12648, Dallas, Texas 75225. Include the price and where the book can be purchased. No charge is made for any review, and the book will be placed in the Genealogy Dept. of the Dallas Public Library. Please allow time for the library to catalogue the book before asking for it.

BOOK REVIEW EDITOR: Pat SCHRADER

GEORGE BOONE - SON OF EDWARD BOONE, KILLED BY THE INDIANS IN 1780, AND NEPHEW OF DANIEL BOONE, THE FAMED EXPLORER. (The subtitle is: "A History of the Boone Family, Including Descendants of George and Patty Hazelrigg Boone and George and Hester Locke Boone").

8½"x11", hardbound, 336 pp. (No information on price).

Authors:

Dorothy Spears Campbell, 6109 Calcutta Ct., Arlington TX 76016

Shirley Spears Nowicki

This genealogy deals with Boones out of Pennsylvania, Kentucky, and North Carolina. It traces seven generations of Boones, and focuses on George and his descendants. One of the families lightly mentioned is that of Daniel Boone, the explorer.

Not only is this a genealogy of one Boone family, but it includes these collateral families: Boykin, Bryan, Cleveland, Hazelrigg, Morgan, Reinhardt, Spears, and Wynne. For added interest, the authors have linked the collateral lines into royal genealogies, but they warn that these are not adequately proven. Especially interesting are the Bouchier family traced to Charlemagne, and the Morgan family traced to Cwynedd, Cymric King in 605 A.D.

There are generous sprinklings of footnotes and excellent references (See "Bryan Family"). Also helpful is the heavy print used for names, surnames and given names, too. For proof, the actual photocopies of documents and county records are included. Most of these are legible and not too difficult to read.

There is an Index of all names, and an Addenda at the end of this, also an Index of photographs. The printing is large and clear, and easy to read. It is a clean, neat, handsome book.

*** For those without Boone ancestors: peak inside the back cover and note the sign pictured there!

COOPER FAMILY HISTORY - 1730-1982 - WITH ALLIED LINES. Bryan, Thomas R. and C. C. Ellenberg, 1982, 6"x9", 192pp. hardbound. Order from A Press, Inc., P. O. Box 8796, Greenville, SC 29604. \$25. plus \$1.85 postage.

This is the history of the descendants of Reuban Cooper I, a Welshman who came to the Colonies before the Revolutionary War. Part of this Cooper family settled in South Carolina, the others moved into Virginia. This genealogy is well documented with military and county courthouse records, and the major discrepancies are honestly questioned.
