The goal of the Dallas Genealogical Society shall be to education, by creating, fostering, and maintaining interest in genealogy; to assist and support the genealogy section of the J. Erik Jonsson Central Library in Dallas, Texas, or to its legal successor; and to collect, preserve, copy, and index information relating to Dallas County and its early history.

presentations. Tony Hanson and Kathleen Murray will demonstrate how to create presentations that can be used to share your genealogical discoveries with your family and friends. The discussion will also touch on creating more powerful presentations like the one created from the April General meeting that can be viewed by [clicking here](#).

MacGen Reunion Group meets on Saturday, April 9th, at 1 pm in the 8th floor McDermott Room.* Topic: How to Use Reunion Reports and Word to Create a Genealogy Book (or anything similar, such as an article).

*All meetings are in the J. Eric Jonsson Central Library, 1515 Young Street, Dallas.

Dallas Medical History in Photographs

Medical Milestones In Dallas, 1890-1975.

An exhibit of 60 images, arranged in chronological order illustrating highlights in the development of medical care and medical education in Dallas. Expanded descriptions explain the significance and the context of the images. To enrich this exhibit, 13 images are included from the Dallas Public Library's Texas/Dallas History and Archives collection and from other collections of historic images. [Click here to view the exhibit.](#)

Dallas Medical Images, 1890-1975, Online Photo Repository. A collection of 500+ images of the institutions, people, and events that have played a role in the progress of medicine and medical education in Dallas. Searchable, descriptive information is available with each image. [Click here to view the repository.](#)
