Subject: Save \$10 for Spring Lecture on DNA

[Click to view this email in a browser](#)

Early Bird Registration Still Open
2015 Spring Lecture
Save \$10.00
Register by February 28

Saturday, March 21
Debbie Parker Wayne, CGSM, CGLSM
**Genetic Genealogy Analysis and Tools;
a Step Beyond the Beginner Level**

Debbie will begin with a brief review of genetic genealogy basics and advice about choosing a DNA testing company. The remaining sessions will provide in-depth information about tools and applications for mitochondrial DNA, Y-DNA, and autosomal DNA studies. Each session will include a real-life case study which uses the latest tools and techniques to analyze these DNA types.

About Debbie Parker Wayne

Debbie Parker Wayne, CGSM, CGLSM, is a full-time, professional genealogist experienced using DNA analysis, as well as more traditional techniques, for genealogical research. She has performed research for genealogical television series such as the PBS series Finding Your Roots with Henry Louis Gates, Jr. and The Learning Channel's Who Do You Think You Are?.

Debbie is a Trustee for the BCG Education Fund, the Texas State Genealogical Society's DNA Project Chair, a former board member of the Association of Professional Genealogists (APG), and former president of the Lone Star Chapter of APG. Debbie has presented at NGS and FGS conferences, International Genetic Genealogy Conference, Family Tree DNA Project Administrator's Conference, Southern California Jamboree DNA Day, several genealogy institutes, and many genealogical societies in Texas and other states. Her publications include a column on using DNA analysis for genealogical research in NGS Magazine, a column on genetic genealogy in the Association of Professional Genealogists Quarterly, and award-winning articles in writing competitions held by the Dallas Genealogical Society and the International Society of Family History Writers and Editors.
