Hi Tony,

The Dallas Genealogical Society is excited to celebrate our 60th year as a major contributor to and resource for the genealogical community in Texas.

DID YOU KNOW?

Our first monthly meeting was held at the Downtown Y.M.C.A. on October 26, 1954.

John Plath Green (1910-1984), one of our founding members, was elected president.

The Society's first Newsletter (Volume 1, Number 1) was published February 21, 1955 and titled *Local History and Genealogical Society; Cooperating with the Dallas Public Library.*

More historical tidbits and teasers will appear in future eNews issues as we build up to our observance during the May 7 General Meeting.

Mark your calendars and join us for a great time of stories, reminiscences...and cake!
