# Dallas Genealogical Society General Meeting Saturday, November 2

**Speaker: Lloyd DeWitt Bockstruck**

"The Name IS the Game:  
Onomatology and the Genealogist"

What is Onomatology? Lloyd explains, "onomatology is the study of names. It involves both forenames, commonly called first, second, or middle names, and family names or surnames. It also includes nicknames and place names which in the US are often named for individuals." Please join us for a lively discussion of Lloyd's intriguing new book.
