c/o Ms. Pamela Fernsler

Philadelphia, PA 19103

Dear Sirs:

It is my pleasure to propose as a member of the Baronical Order of Magna Charta a distinguished gentleman of Dallas, Mr. Lloyd Dewitt Bockstruck of 3955-C Buena Vista, Dallas, Texas 75204. Mr. Bockstruck is well-respected, both in his profession and among all who know him. He is director of the Genealogical Section of the Dallas Public Library, overseeing its growth into one of the largest public library collections of genealogical materials in the nation. He is also a serious student of Virginia Colonial Settlers, being the author of Virginia Colonial Soldiers (Baltimore, MD: Genealogical Publishing Co., 1988).

His immigrant ancestry from Thomas Josselyn is well documented as is Thomas Josselyn's descent from an English Baron. Any assistance to Mr. Bockstruck will be most appreciated.

Also enclosed is $27.50 for a copy of the videotape of the 1991 Grand Chapter.

Respectfully,

Robert M. Clark, Jr.

Dear Mr. Bockstruck:

We are pleased to advise you that you have been proposed for membership in the Baronial Order of Magna Charta by Baron Robert Clark, Jr.

I have enclosed a Membership Information Form and two sets of Application for Membership forms. Please complete the Membership Information Form and return it, along with one Application (completed in conformity with the instructions given below) and your check for the genealogical examination fee of $50, payable to Stuart Henri Yost, C.G., to me at the address shown above. Upon review of the information contained in the application, Baron Yost, or genealogist, will advise you of any further requirements for documentation or clarification of your lineage, and ultimately of its acceptance or rejection based on the genealogical standards imposed by the Order.

In completing the application, please begin with the Surety and show details of every generation connecting you to him. Each statement must be supported by documentation acceptable to the Genealogist. Examples of such proofs include, but are not limited to, official birth, marriage and death certificates, references to acceptable printed genealogies, land records, census rolls, etc. Many printed or privately published genealogies and compendia of family historical notes are not considered sufficiently well-documented to be used as proof, but you may submit such items for consideration.

We will look forward to receiving your submission in due course. If you have any questions, please do not hesitate to contact me and we will make every effort to assist you in the successful completion of your application.

Cordially yours,

cc: Baron Robert M. Clark
