Dear Lloyd,

I regret that I cannot accept Edward Bangs as a qualifying ancestor for F&T because there is no evidence, in what you sent me, that he also dispensed food. On the other hand, I shall welcome ordinary keepers, as they served both food and drink. [If you have proof that Bangs sold meals, I shall, of course, gladly accept him.]

Supplementals are also five dollars each.

I shall retain the documentation you sent, as some of it doubtless will apply to your ordinary keepers' descendants. I enclose two application forms for the purpose.

Your check is also enclosed, as the society, not being incorporated, has no bank account. The check should be made out to my name, Special Account. Thus far I have been able to keep the organization running on the five dollar fees without dues, and I intend to keep it that way.

I hope you are able to get to Cleveland, and shall be glad to chat with you there.

Sincerely,
Dear Lloyd,

Welcome to Flagon & Trencher as Member # 76-21 on the line of William Baldwin. I have specified John Roberts as 76-21S1 [first supplemental]. In about a month I shall send you a list of F&T members, ancestors accepted thus far, and some other information concerning F&T.

I have accepted Nancy Sims, knowing the difficulty of normal proof for the area.

Sincerely,

Kenn Stryker-Rodda, Keeper of the Tavern Records
28 May 1980

Dear Lloyd,

Enclosed is your copy of Colonial Tavern Keepers III. I have also enclosed a couple of application sheets. A couple of years ago I consulted New England specialists who aver that a license to sell liquor by the small measure should be considered the equivalent of a tavern license. I have, therefore, accepted both Edward Bangs and Edmund Littlefield as qualifying ancestors, and shall be glad to have you submit supplementals on them.

It will take a week or two for me to get your emblem engraved.

Best personal regards,
