Representatives of the British and American governments signed the Treaty of Paris at the Hotel d'York in Paris on 3 September 1783. This document marked the official conclusion of the Revolutionary War between the mother country and her former colonies. Last fall dignitaries from both countries assembled again in Paris to commemorate the 200th Anniversary (Bicentennial) of the signing of the Treaty. DOS member, Patricia Love Stephens, attended the celebration and will give us a firsthand account of the events. Don't miss her slide presentation and lecture based on this historic occasion! Bring your sack lunch and join us after the meeting. Coffee will be available.

The "Guide to The Quarterly, 1955 - 1982", fresh off the press, was put on sale at our March meeting and went like hot cakes. Titles of articles for 28 years of issues of The Quarterly were placed in categories and alphabetical order to make up this Guide, making it easier to locate articles on given subjects. These articles cover Texas as well as other states. This "Guide to The Quarterly, 1955-1982" sells for $2.12 which includes tax, and is available at DOS meetings, the May Workshop and the Genealogy Section of the Dallas Public Library. All quarterlies have been microfilmed on three rolls and these are for sale and may be ordered from the Society for $20.00 each roll, plus $2.00 for postage and handling.

ANNOUNCEMENT: The Census Rolls for the Oklahoma Indian Tribes, mostly of the 19th Century, are now complete at the Genealogy Section of the Dallas Public Library.

Mrs. Sharron Standifer Ashton brought to life Lyman C. Draper for us at our March meeting. Although in life he was only five feet tall, he became a giant through his contributions for the genealogy researcher. With vivid description of him and his work, Mrs. Ashton kindled our desire to study the Draper Manuscripts, and they are ALL available in the Genealogy Section of the Dallas Public Library.

FREE HELP TO ALL MEMBERS: Queries about your ancestors, in Texas or elsewhere, can be sent to DGS, PO Box 12648, Dallas 75225. We will print fifty words or less, and your query should include the name of a person you are inquiring about, the approximate time, if possible, the area, any information that will remind others of their information that you want, your name, address and if you like, your phone number. This same assistance is available to non-members for $3.00 a Query.

Do you have diaries in your family that you would like to have published in our Quarterly? If they are from Texas ancestors, and if you will send a copy, they will be used as space permits, and at the discretion of the Editor of the Quarterly.

Use your recent membership list and get up a pool to go to the night meetings of the DGS at the library; this will make new friends, will assist in your parking and toll fees, and will keep you from having to drive alone at night. Parking is available right under the library, the approach to it has been corrected to ease the approach. Enter from Wood Street, which is east-bound.

PLEASE LET US KNOW IF YOU CHANGE YOUR ADDRESS! When Quarterlies are returned for correct address, it is costly to send them out separately. Help save our money!
