THE SOCIETY PAGE

The Dallas Genealogical Society was founded in 1955 with the following objectives:

To create, foster and maintain interest in genealogy and family history.
To raise standards of genealogical research through educational programs, workshops and the publication of data.
To promote the collection and preservation of material relating to the early history of Dallas County and those pioneers who settled the area.
To copy, index and publish records, documents, inscriptions and other genealogical source materials.
To support the Genealogy Section of the Dallas Public Library.
To stimulate the exchange of information between society members and genealogical researchers across the nation.

MEMBERSHIP: The Dallas Genealogical Society is a non-profit, federally tax-exempt organization. Individuals, libraries or societies may apply for membership. Annual dues are $12.00 for the calendar year if paid by January 31, after January 31 they are $14.00. All current members receive the quarterly journal and the newsletter.

QUARTERLY: The Dallas Quarterly publishes source material and articles of general interest concerning Dallas County and Texas. Manuscripts together with a cover letter giving the Society permission to publish the material should be submitted to the Editor at the DGS mailing address. While our intention is to present original authoritative articles, the Dallas Genealogical Society and the editor of The Dallas Quarterly cannot be responsible for the accuracy or publishing rights of the material furnished by others.

QUERIES: Queries are printed in the DGS NEWSLETTER. They do not require a Texas connection and are free to members of the Dallas Genealogical Society. Non-members should include $3.00 with each query submitted. To eliminate correspondence and delay we reserve the right to abbreviate or condense. Queries should be addressed to the Query Editor at the DGS mailing address.

BOOK REVIEWS: Any book donated to the Dallas Genealogical Society relating to genealogy or family history which is currently in print and available for sale will be reviewed in The Dallas Quarterly. The book will be placed in the Genealogy section of the J. Erik Jonsson Central Library (1515 Young St.) of the Dallas Public Library System. All publications to be reviewed should be sent to the Dallas Genealogical Society together with price and complete ordering information.

The key words for the Dallas Genealogical Society in 1990-1991 were *bigger* and *better*. By May 20, we had achieved a record membership of 834—and the membership year is only half over! Why have we seen this growth? I believe it is because our services to members keep getting better and better. We have wonderful, talented volunteers with innovative ideas and plenty of energy.

The 1991 *DGS Membership Roster* was 96 pages, containing members' names, addresses, and phone numbers, plus a list of surnames they are researching. We did plenty of communicating with those members, mailing over 16,000 pieces of mail. Our membership and publications brochures were updated this year.

The *DGS Newsletter* increased in size to an average of 12 pages per issue, in an all-new format, including photographs. The "Guide to Resources in the Dallas Public Library Genealogy Collection" became a regular feature. A number of articles were contributed by our own members, coverage of our programs and workshops was expanded, and each issue contained an events calendar, officers' reports, and queries.

*The Dallas Quarterly* carried a cumulative "Guide to The Dallas Quarterly" (1955-1990), bound as part of the December 1990 issue, listing all articles by topic. Although the page count remained the same, the information included increased through changes in type, and each issue now carries a full-name index.

The programs this year were well received, as was the Computer Interest Group. Members voted to add a Director for the Computer Interest Group to the board. The Annual Book Award Contest received many fine books and manuscripts written by our members.

A generous gift from Helen Lu means the that DGS publications list will include her Texas Church Newspaper Abstracts on microfiche. The next cemetery book is nearing completion. Our receipts from sales of books and forms this year were nearly $3000.

Our workshops continued to grow and be received with great enthusiasm. The *Fall Symposium* attracted the largest crowd ever (385). I am especially proud of our fall symposium, since it is presented by our own extremely knowledgeable and talented members, one of the greatest assets of DGS. Our *Spring Symposium*, on the other hand, allows us to hear the best of the national speakers (this year's speaker was Elizabeth Shown Mills) and focuses on methodology to help the most researchers. As nearly as I can tell, we had the best-attended (700) workshop presented by a local society in the US last year and were exceeded only by the National Genealogical Society's annual Conference and the Southern California Genealogical Fair.
DGS was able to present $15,000, the largest gift ever, to the Genealogy Collection of the library, especially welcome because of city budget cutting. This will assure that we can continue to research at one of the top genealogical libraries in the country. $10,000 was presented for purchase of books and microforms. $1,000 was presented to the Adopt-a-Book program, an ongoing project of DGS to fund binding of periodicals and soft-bound books.

$4,000 of the gift was donated to the 1920 census fund. Combined with last year's $3,000 gift, and member donations and interest of $3,030, it will enable DGS to purchase the 1920 census films for Texas, Oklahoma, Kansas, Nebraska, Iowa, Missouri, Arkansas, Louisiana, Mississippi, Alabama, Tennessee, Kentucky, Illinois, Indiana, and Ohio, plus the Texas Soundex, which will be received in the spring of 1992.

But best of all are our members who have learned the secret of belonging: the more you contribute, the more you receive. The congratulations go to you for making this the biggest and best year yet for DGS!

The cemetery is located at 9027 Midway Rd., Dallas, Texas.
