Authors Sought
Have you broken a brick wall, found an ancestor through an interesting approach, or discovered a new research tool? The DGS Newsletter Editor is seeking articles of interest to DGS members. There is no geographic restriction on articles published in the DGS Newsletter. Send your articles to newsletter@dallasgenealogy.org.
The goal of the Dallas Genealogical Society shall be to educate, by creating, fostering, and maintaining interest in genealogy; to assist and support the genealogy section of the J. Erik Jonsson Central Library in Dallas, Texas, or to its legal successor; and to collect, preserve, copy, and index information relating to Dallas County and its early history.

### Special Interest Groups (SIG)

**Jewish Genealogy** meets Tuesday, March 15, 2011, 10 a.m to 1 p.m. The group is continuing to work on a methodology sheet for breaking down “brick walls” using urban-based research and not land-based research.

**AAGIG** meets on Saturday March 19, 2011, 3 to 5 p.m. The feature this month is a research day.

### Volunteer Opportunity

Spring is here. What a wonderful time to visit a nearby cemetery. DGS is seeking digital photos of cemetery gates or entry ways for its [Map of Dallas County Cemeteries](http://dallasgenealogy.org). You will receive credit for the photo. The photos must be your original work.

Some of the cemeteries needed are: Bowens Cemetery, Fugitt Cemetery, American Memorial Cemetery, Southland Memorial Park Cemetery, Coates-Pascall Cemetery, Long Creek Cemetery, Lumley-Potter Cemetery, Haught Cemetery, Rose Lawn Cemetery, Rylie Cemetery, Ramsey Cemetery, Rhodes Cemetery, Pleasant Valley Cemetery, Holland Cemetery, and DeSoto Cemetery.

Check the [cemetery map](http://dallasgenealogy.org) on the DGS Web Site for location and for other cemeteries without photos. Send your digital photo to records@dallasmogenealogy.org
