Pegasus Has Landed!

The Premiere Issue of our new journal, Pegasus: Journal of the Dallas Genealogical Society, was mailed via USPS to all members on September 3. Our publications are normally mailed only to those who have indicated in their member profile that they wish to receive print copies; however, this Premiere Issue features the four prize-winning articles from the 2012 DGS Writing Contest. The Board thought that all members would be interested. If you decide after reading it that you always want to receive a print copy of Pegasus, be sure your member profile reflects that choice by logging into your profile on the DGS website under "Membership/Account Manager."

"Trash to Treasure" Event at Fall Lecture

In tandem with the Fall Lecture on October 12, DGS will hold a "jumble sale" of previously owned genealogy-related stuff (reference books and publications, forms, maps, CDs, hanging file folders, labels and other office supplies, etc.) - anything that one person does not want, but that others will find valuable.

Most items will go for the donation that the buyer is willing to make. A few valuable items will be available via a bid system.
Donators - start your spring-cleaning now to weed out Trash; Buyers - bring some extra dollars to the Lecture in order to snap up some Treasures!

Proceeds go to FGS’s Preserve the War of 1812 Pensions Project.

If you plan to attend the Lecture, bring your items with you. Treasure acquisition will start at the beginning of the first break and continue at lunchtime and subsequent breaks. Highest bids for special items will be determined near the end of the final break.

If you will not be coming to the Lecture, bring your items to the October General Meeting on the 5th.
