*Judy's Response*

*Anglo-Celtic Connections* blogger John Reid defines the criteria - "Rockstar genealogists are those who give 'must attend' presentations at family history conferences or as webinars. Who, when you see a new family history article or publication by that person, makes it a must buy. Who you hang on their every word on a blog, podcast or newsgroup, or follow avidly on Facebook or Twitter."
Intrigued? Ready to register?

Judy's topic for the Fall Lecture is "Genealogy and the Law: From the Past to the Future". She will make 4 presentations at the all-day program.
